TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

DETAILED ACTION

1. The amendment received on 1/25/07 does not comply with the requirements of 37 CFR 1.121(c) because: the newly added claim 25 is not included in the claim listing. See MPEP 37 CFR §1.121.

Amendments to the claims filed on or after July 30, 2003 must comply with 37 CFR 1.121(c)(1), which states:

(c) *Claims*. Amendments to a claim must be made by rewriting the entire claim with all changes (*e.g.*, additions and deletions) as indicated in this subsection, except when the claim is being canceled. Each amendment document that includes a change to an existing claim, cancellation of an existing claim or addition of a new claim, must include a complete listing of all claims ever presented, including the text of all pending and withdrawn claims, in the application. The claim listing, including the text of the claims, in the amendment document will serve to replace all prior versions of the claims, in the application. In the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered).

(1) *Claim listing*. All of the claims presented in a claim listing shall be presented in ascending numerical order. Consecutive claims having the same status of “canceled” or “not entered” may be aggregated into one statement (*e.g.*, Claims 1–5 (canceled)). The claim listing shall commence on a separate sheet of the amendment document and the sheet(s) that contain the text of any part of the claims shall not contain any other part of the amendment.

Since the reply filed on 1/25/07 appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Important Notice To Applicant

2. It is in the best interest of the patent community that applicant, in his normal review and/or rewriting of the claims, to take into consideration the consistent uses of newly added claimed term(s) such that the meaning of every term used in any of the claims should be apparent from the descriptive portion of the specification with clear disclosure as to its import. This is necessary in order to insure certainty in construing the claims in light of the specification and to avoid the unnecessary rejection(s) under 35 USC 112, first and/or second paragraphs, see MPEP 608.01 (o). The currently amended claims 1, 6, 11, 12, 14, 24, 26, 28-30 and 32 may be rejected under 35 USC 112, second paragraphs “indefinite” due to insufficient antecedent basis for the claimed terms in the claims. Applicant is suggested to review and/or amend the claims to avoid such a rejection in reply to this Office action.
